Our hotel – in a unique way in Hévíz – has been built together with the world-famous spa and spa centre of Hévíz, the Szent András Spa Centre, which can be reached via a covered, heated bridge.

It is located in the heart of Hévíz, close to the pedestrian street, the cinema, the museum and the bus station. It is ideally located for the main sights and attractions of Hévíz.

Keszthely with its magnificent Festetics Castle and the shores of Lake Balaton with its harbour are only 7 km away.

The hotel is connected to the spa and wellness baths of the Szent András Rheumakórház and Gyógycentrum by a heated indoor corridor. This is one of the reasons why Hunguest Hotel Panorama is so popular. The spa centre offers a range of cure packages for musculoskeletal and other health problems and prevention of diseases, based on Hévíz, under the supervision of a European-standard medical team with a strong professional background.

Active holiday lovers can choose from a wide range of excursions and sports activities in the area. All year round, the hotel offers a variety of colourful city programmes and concerts.
